Action Taken Report On Curriculum

2023-24

The feedback mechanism is a tool which helps in evaluating, analyzing and correcting an institution's communication channels with all stakeholders.

On the basis of students feedback, digital class room is used by the teacher for better understanding of concepts. To achieve academic excellence, teacher were encouraged students to participate in various curriculum based value added programs and add on certificate course. As per the feedback received from the practice teaching school to develop innovative teaching learning strategies among the students under the guidelines of NEP,2020,or conducted seminar on NEP. Based on Alumni feedback learning experience is needed for development of problem solving skills among the students. For this students will be given a certain Programme to organize by themselves under the guidance of the faculties.College focusses on holistic development of students to promote teachers with better capabilities. Planned to provide digital library.
